SUMMARY

Experienced IT professional skilled in React, Python, Django, Flask, and JavaScript. A team-oriented individual with strong communication skills, actively seeking new job opportunities aligned with my expertise.

WORK EXPERIENCE

Citiustech Healthcare Technology Private Limited [🔗](#)

Software Engineer Trainee

Bangalore, Karnataka
August 2022 - December 2023

Projects:

- I actively contributed in Explainable AI by creating a dynamic and visually engaging frontend using React and backend by creating AIPs using Flask.
- Converted requirement into the project plan.
- Worked closely with the design team to turn design mockups into working user interface components.
- Created APIs using Flask for smooth communication between the front and back ends.
- Overcome challenges by finding creative solutions and seeking guidance when needed.

Trainings:

HTML5/CSS3, JavaScript, JQuery, Bootstrap, React.js, DSA, Python, Flask, Django, Git, GitHub, MSSQL, Cloud Basics - Azure

SKILLS

Environments:	Windows, macOS, Linux
Programming Languages:	Python, Java, C/C++
Web Development:	HTML/CSS, JavaScript, ReactJS, Tkinter, MS SQL Server
Development Tools:	Eclips, VSCode, Atom, GIT, Microsoft SQL Server Management
Management Tools:	Git & GitHub, GitLab
Cloud:	Microsoft Azure - Basics
Data Structures & Algorithms	

PROJECTS

Secure Rental Agreement using Blockchain [🔗](#)

- Web-based application converting traditional lease agreements into smart contracts.
- Improved the efficiency of the leasing process and stored transaction records for legal protection.
- Successfully designed, developed, and implemented the code.

Online Portfolio [🔗](#)

- Developed a personal portfolio website using React.js to showcase projects and skills effectively.
- Highlighted key projects and technical abilities, offering insight into coding style and problem-solving approach.
- Applied responsive design principles to guarantee seamless viewing on all devices, reflecting adaptability and a user-centric approach to design.

EDUCATION

Sree Dattha Institute of Engineering and Science (Affiliated to JNTU-H)

Bachelors of Technology in Computer Science and Engineering

July 2018 - July 2022

Narayana Junior College, Hyderabad

Senior Secondary Education

June 2016 - April 2018
